### The Decision-Makers of SDMNY

When we learned that NYC's much loved Public Theater (which is also home to Shakespeare in the Park) is holding a Pre-Election Eve on-line forum on November 2, and inviting people to submit videos of their own preambles to the Declaration of Independence, beginning "We the People," we knew that the amazing voices of SDMNY Decision-Makers should be heard. We quickly pulled together a group of nine, Andrew, Dylan, Emma, Josh, Luisa, Marisol, Nico, Roman and Trina, who star in the video we will be submitting today. They asked that it be dedicated to the memory of all those who have passed from the Covid-19 pandemic.

There's no guarantee our video will be accepted, but we will all keep our fingers crossed, and if it is, we'll let you know. Meanwhile, you can be the first to see this terrific SDMNY production by clicking on the link below. We're so proud of everyone who participated on such short notice, and thanks too, to SDMNY staff Joan Cornachio, Simge Yarayici and Naomi Miller who made it happen. Here's hoping...

**UPDATE:** Our video got selected and was part of the "We the People" clip on the Public Forum! Please click [here](#) to watch the video section.
