82.12 Limitations on liability. 1 2 82.13 Supporter notice. 3 82.14 Reporting abuse, coercion, undue influence, or financial 4 exploitation. 5 82.15 Rules and regulations. б § 82.01 Legislative findings and purpose. 7 (a) The legislature finds that a person's right to make their own 8 decisions is critical to their autonomy and self-determination. People 9 with intellectual, developmental, cognitive and psychosocial disabili-10 ties are often denied that right because of stigma and outdated beliefs 11 about their capability. This right is denied, despite the reality that 12 very few people make decisions entirely on their own. Everyone uses supports, as do people with disabilities; who may just need more or 13 14 different kinds of supports. 15 (b) The legislature further finds that the, now well recognized, practice of supported decision-making is a way in which many people with 16 17 disabilities can make their own decisions with the support they need from trusted persons in their lives, and that supported decision-making 18 can be a less restrictive alternative to guardianship. Recognizing that 19 20 supported decision-making can take a variety of forms, the legislature 21 finds that a more formal process, resulting in a supported decision-mak-22 ing agreement between the person with a disability (the decision-maker) and their supporter or supporters, can provide the basis for requiring 23 third parties, who might otherwise question a person's legal capacity 24 25 because of their disability, to recognize their decisions on the same basis as others. When this more formal process is followed, people with 26 27 disabilities can make choices confident that they will be respected by 28 others and knowing they will be solely responsible for their own deci-29 sions. 30 (c) The legislature further finds that supported decision-making and 31 supported decision-making agreements should be encouraged when appropri-32 ate for persons with disabilities, and that the execution of a supported 33 decision-making agreement should not detrimentally impact the eligibil-34 ity of a person for other services, including adult protective services. 35 (d) The legislature also strongly urges relevant state agencies and 36 civil society to research and develop appropriate and effective means of 37 support for older persons with cognitive decline, persons with traumatic brain injuries, and persons with psychosocial disabilities, so that full 38 39 legislative recognition can also be accorded to the decisions made with supported decision-making agreements by persons with such conditions, 40 based on a consensus about what kinds of support are most effective and 41 42 how they can best be delivered. 43 § 82.02 Definitions. 44 When used in this article, the following terms shall have the follow-45 ing meaning, unless the context or subject matter requires a different 46 interpretation: 47 (a) "abuse" encompasses physical abuse, sexual abuse, and emotional 48 abuse, as defined in section four hundred seventy-three of the social 49 services law. 50 (b) "adult" means an individual eighteen years of age or older. (c) "advance directive" means a legally recognized written or oral 51 52 instruction by an adult relating to the provision of health care to the adult if and when they become incapacitated, including but not limited 53 to a health care proxy, a consent to the issuance of an order not to 54 resuscitate or other orders for life-sustaining treatment recorded in a 55

1	metiontly medical warned on other levelly warning statements of
1	patient's medical record, or other legally-recognized statements of
2	wishes or beliefs.
3	(d) "decision-maker" means an adult who has executed, or seeks to
4	execute, a supported decision-making agreement.
5	(e) "financial exploitation" has the meaning given in section four
б	hundred seventy-three of the social services law.
7	(f) "good faith" means honest in fact and in the observance of reason-
8	able standards of fair dealing.
9	(g) "neglect" has the meaning defined in paragraph (d) of subdivision
10	one of section four hundred seventy-three of the social services law.
	(h) "physical coercion" means to place under duress, menace, or
11	
12	threaten physical violence or imprisonment.
13	(i) "supported decision-making" means a way by which a decision-maker
14	utilizes support from trusted persons in their life, in order to make
15	their own decisions about their life, including, but not limited to,
16	decisions related to where and with whom the decision-maker wants to
17	live; decisions about finances; the services, supports, and health care
18	the decision-maker wants to receive; and where the decision-maker wants
19	to work.
20	(j) "supported decision-making agreement" is an agreement a decision-
21	maker enters into with one or more supporters under this section that
22	describes how the decision-maker uses supported decision-making to make
23	their own decisions. Supported decision-making agreements can either be
24	an informal arrangement between the decision-maker and his or her
25	supporter or supporters, or one that is in accordance with section 82.11
26	of this article, which has been reviewed and signed by a facilitator.
27	(k) "supporter" means an adult who has voluntarily entered into a
28	supported decision-making agreement with a decision-maker, agreeing to
29	assist the decision-maker in making their own decisions as prescribed by
30	the supported decision-making agreement, and who is not ineligible under
31	section 82.08 of this article.
32	(1) "undue influence" means moral or mental coercion that leads some-
33	one to carry out the wishes of another instead of their own because they
34	are unable to refuse or resist.
35	(m) "facilitator" means an individual or entity authorized by the
36	office for people with developmental disabilities that works with and
37	educates the decision-maker and his or her supporter or supporters about
38	supported decision-making and supported decision-making agreements
39	authorized under this article.
40	§ 82.03 Presumption of capacity.
41	(a) For the purposes of this article, every adult shall be presumed to
42	have the capacity to enter into a supported decision-making agreement,
	unless that adult has a legal quardian, appointed by a court of compe-
43	
44	tent jurisdiction, whose granted authority is in conflict with the
45	proposed supported decision-making agreement. This presumption may be
46	rebutted only by clear and convincing evidence.
47	(b) Capacity shall include capacity with decision-making support
48	and/or accommodations.
49	(c) A diagnosis of a developmental or other disability or condition
50	shall not constitute evidence of incapacity.
51	(d) The manner in which an adult communicates with others shall not
52	constitute evidence of incapacity.
53	(e) Neither the execution of a supported decision-making agreement by
54	an individual, nor the interest in or wish to execute a supported deci-
55	sion-making agreement by an individual, nor the failure of an individual

56 to execute a supported decision-making agreement may be used or consid-

1	ered as evidence that the individual lacks capacity, or to deny the
2	decision-maker benefits to which they are otherwise entitled, including
3	adult protective services.
4	(f) A decision-maker may make and execute a supported decision-making
5	agreement, if the decision-maker understands that they are making and
б	executing an agreement with their chosen supporters and that they are
7	doing so voluntarily.
8	<u>§ 82.04 Scope.</u>
9	(a) If a decision-maker voluntarily enters into a supported decision-
10	making agreement with one or more supporters, the decision-maker may, in
11	the agreement, authorize the supporter to provide support to them in
12	making their own decisions in areas they choose, including, but not
13	limited to: gathering information, understanding and interpreting infor-
14	mation, weighing options and alternatives to a decision, considering
15	the consequences of making a decision or not making it, participating in
16	conversations with third parties if the decision-maker is present and
17	requests their participation, communicating the decision-maker's deci-
18	sion to third parties if the decision-maker is present and requests
19	their participation, and providing the decision-maker support in imple-
20	menting the decision-maker's decision.
21	(b) Nothing in this article, nor the existence of an executed
22	supported decision-making agreement, shall preclude the decision-maker
23	from acting independently of the supported decision-making agreement or
24	executing, with or without the assistance of supporters under a
25	supported decision-making agreement, a power of attorney under title
26	fifteen of article five of the general obligations law, health care
27	proxy under article twenty-nine-C of the public health law, or other
28	advance directive.
29	(c) Notwithstanding the existence of a supported decision-making
30	agreement, a decision-maker shall continue to have unrestricted access
31	to their personal information without the assistance of a supporter.
32	(d) Notwithstanding the existence of a supported decision-making
33	agreement, a decision-maker may request and receive assistance in making
34	any decision that is not covered under the supported decision-making
35	agreement at any time and from any person, regardless of whether that
36	person is designated as a supporter in the supported decision-making
37	agreement.
38	(e) A supported decision-making agreement made pursuant to this arti-
39	cle may be evidence that the decision-maker has a less restrictive
40	<u>alternative to guardianship in place.</u>
41	(f) The availability of supported decision-making agreements is not
42	intended to limit the informal use of supported decision-making, or to
43	preclude judicial consideration of such informal arrangements as less
44	restrictive alternatives to guardianship.
45	(g) Execution of a supported decision-making agreement may not be a
46	condition of participation in any activity, service, or program.
47	(h) If a decision-maker seeks from any person professional advice that
48	would be otherwise covered by evidentiary privilege in accordance with
49	sections forty-five hundred three, forty-five hundred four, forty-five
50	hundred seven, forty-five hundred eight and forty-five hundred ten of
51	the civil practice law and rules, the inclusion in the conversation of a
52	supporter authorized by the supported decision-making agreement to
53	provide support in the area in which the decision-maker seeks the
54	professional advice shall not constitute a waiver of that privilege.
55	(i) Notwithstanding any other provision of law to the contrary, noth-
ГC	and the second

56 ing within this article shall be construed to prohibit eligibility of a

1	design makes for second of some on supports that they would have
1	decision-maker for receipt of services or supports that they would have
2	otherwise been entitled, including adult protective services, absent
3	entering into a supported decision-making agreement under the provisions
4	of this article.
5	(j) A supported decision-making agreement made between a decision-mak-
б	er and his or her supporter or supporters after consultation and educa-
7	tion, which is signed by a facilitator shall have the legal force and
8	effect authorized under section 82.11 of this article.
9	§ 82.05 Duties, responsibilities, and authority of supporters.
10	<u>(a) A supporter must:</u>
11	1. respect the decision-maker's right to make a decision, even when
12	the supporter disagrees with the decision or believes it is not in the
13	<u>decision-maker's best interests;</u>
14	2. act honestly, diligently, and in good faith;
15	3. act within the scope set forth in the executed supported decision-
16	making agreement;
17	4. avoid conflicts of interest;
18	5. notify the decision-maker in writing, and in a manner the deci-
19	sion-maker can understand, of the supporter's intent to resign as a
20	supporter; and
21	6. participate in facilitation and/or education programs developed
22	under regulations promulgated by the office for people with develop-
23	mental disabilities in order to enter a formal supported decision-making
24	agreement.
25	(b) A supporter is prohibited from:
26	1. making decisions for the decision-maker, except to the extent
27	otherwise granted in an advance directive;
28	2. exerting undue influence upon the decision-maker;
29	3. physically coercing the decision-maker;
30	4. obtaining, without the consent of the decision-maker, information
31	acquired for a purpose other than assisting the decision-maker in making
32	a decision authorized by the supported decision-making agreement;
33	5. obtaining, without the consent of the decision-maker, or as
34	expressly granted by the supported decision-making agreement, and accom-
35	panied by an appropriate release, nonpublic personal information as
36	defined in 15 U.S.C. § 6809(4)(A), or clinical records or information
30 37	under subdivision (c) of section 33.13 of this chapter; and
38	6. communicating a decision-maker's decision to a third-party without
39	the participation and presence of the decision-maker.
40	(c) The relationship between a decision-maker and a supporter is one
41	of trust and confidence and serves to preserve the decision-making
42	authority of the decision-maker.
43	(d) A supporter shall not be considered a surrogate or substitute
44	decision maker for the decision-maker and shall not have the authority
45	to sign legal documents on behalf of the decision-maker or bind the
46	decision-maker to a legal agreement, but may, if such authority is
47	expressly granted in the supported decision-making agreement, provide
48	co-signature together with the decision-maker acknowledging the receipt
49	of statements of rights and responsibilities in order to permit partic-
50	ipation in such programs or activities that the decision-maker has
51	communicated a choice to participate in.
52	(e) If expressly granted by the supported decision-making agreement,
53	and the decision-maker has signed an appropriate release, the supporter
54	may assist the decision-maker in obtaining educational records under the
55	Family Educational Rights and Privacy Act of 1974 (20 U.S.C. § 1232g),

2	records and information under subdivision (c) of section 33.13 of this
3	chapter, or patient information under subdivisions two and three of
4	section eighteen of the public health law.
5	(f) A supporter shall ensure the information obtained under subdivi-
6	sion (e) of this section is kept privileged and confidential, as appli-
7	cable, and is not subject to unauthorized access, use, or disclosure.
8	<u>§ 82.06 Formation and term of agreement.</u>
9	(a) An adult may enter into a supported decision-making agreement at
10	any time if the adult enters into the agreement voluntarily.
11 12	(b) A decision-maker may sign a supported decision-making agreement in any manner, including electronic signatures permitted under article
13	three of the state technology law.
14^{13}	(c) A supported decision-making agreement formed under the provisions
15	of this article shall remain in effect unless and until revoked by the
16	decision-maker.
17	<u>§ 82.07 Revocation and amendment of agreement.</u>
18	(a) The decision-maker may revoke all or part of a supported deci-
19	sion-making agreement by notifying the supporters orally or in writing,
20	or by any other act evincing a specific intent to revoke the agreement.
21	The failure of the decision-maker to notify supporters shall not invali-
22	date the revocation of all or part of the supported decision-making
23	agreement.
24	(b) A decision-maker may amend a supported decision-making agreement
25	at any time for any reason, subject to the requirements of this section.
26	The decision-maker shall notify all supporters of any amendment made to
27	the supported decision-making agreement, but the failure to do so shall
28	not invalidate the amendment.
29	§ 82.08 Eligibility and resignation of supporters.
30	(a) A supporter shall be any adult chosen by the decision-maker; if
31	the supporter chosen by the decision-maker is an employee of a provider
32	from whom the decision-maker receives services, the employee and the
33	provider shall follow the requirements set out in regulations promulgat-
34	ed by the office for people with developmental disabilities, or other
35 26	appropriate regulatory body which address those circumstances, with attention paid to relative labor law and employment obligations and
36 37	possible conflicts of interest or the appearance of a conflict of inter-
38	est.
30 39	(b) An individual who has been chosen by the decision-maker to be a
40	supporter, or who has entered into a supported decision-making agreement
41	as a supporter, shall be deemed ineligible to act, or continue to serve
42	as supporter upon the occurrence of any of the following:
43	1. a court authorizes a protective order or restraining order against
44	the supporter on request of or on behalf of the decision-maker; or
45	2. the local department of social services has found that the support-

48	82.02 of this article.
49	(c) A supporter may resign as supporter by written or oral notice to
50	the decision-maker and the remaining supporters.
51	(d) If the supported decision-making agreement includes more than one
52	supporter or is amended to replace the supporter who is ineligible under
53	subdivision (b) of this section or resigns under subdivision (c) of this
54	section, the supported decision-making agreement shall survive for the
55	remaining supporters, unless it is otherwise revoked under section 82.07
56	of this article.

(e) If the supported decision-making agreement does not include more 1 than one supporter, and is not amended to replace the supporter who 2 becomes ineligible under subdivision (b) of this section or resigns 3 4 under subdivision (c) of this section, the supported decision-making 5 agreement shall be considered terminated. 6 § 82.09 Facilitation of agreement. 7 The provisions of section 82.11 and subdivisions (b) through (d) of 8 section 82.12 of this article shall only apply in circumstances where a decision is made by a decision-maker pursuant to a supported decision-9 10 making agreement created in accordance with this article where such 11 decision-maker and his or her supporter or supporters have worked with a 12 facilitator, such supporter or supporters have followed a recognized supported decision-making facilitation or education process as defined 13 14 and prescribed by regulations promulgated by the office for people with 15 developmental disabilities and such facilitator has signed such agree-16 ment. 17 § 82.10 Form of agreement. 1	§ 82.11 Legal effect of decisions made with support and third party
2	obligations.
3	(a) This section shall apply only to decisions made pursuant to
4	supported decision-making agreements created in accordance with this
5	article and following a recognized supported decision-making facili-
6	tation or education process, as prescribed by regulations governing the
7	facilitation and education processes promulgated by the office for
8	people with developmental disabilities. Additionally, such decisions
9	shall be signed by a facilitator.
10	(b) A decision or request made or communicated by a decision-maker
11	with the assistance of a supporter in accordance with the provisions of
12	a supported decision-making agreement must, notwithstanding any other
13	provision of law, be recognized as the decision or request of the deci-
14	sion-maker and may be enforced by the decision-maker in law or equity on
15	the same basis as all others.
16	(c) A person, entity, or agency required to recognize and honor a
17	decision made pursuant to a supported decision-making agreement author-
18	ized by this section may require the decision-maker to execute or
19	endorse an attestation, as provided in paragraph three of subdivision
20	(d) of section 82.10 of this article, as a condition of recognizing and
21	honoring the decision.
22	(d) A person, entity, or agency that receives a supported decision-
23	making agreement must honor a decision made in accordance with the
24	agreement, unless the person, entity, or agency has substantial cause to
25	believe the supported decision-making agreement has been revoked, or the
26	decision-maker is being abused, coerced, unduly influenced, or finan-
27	cially exploited by the supporter, or that the decision will cause the
28	decision-maker substantial and imminent physical or financial harm.
29	§ 82.12 Limitations on liability.
30	(a) Subdivisions (b), (c) and (d) of this section shall apply only to
31	decisions made pursuant to supported decision-making agreements created
32	in accordance with this article which are signed by a facilitator and
33 24	following a recognized supported decision-making facilitation or educa-
34	tion process, as prescribed by regulations governing the facilitation and education processes promulgated by the office for people with devel-
35	
36 37	<u>opmental disabilities.</u> (b) A person shall not be subject to criminal or civil liability and
38	shall not be determined to have engaged in professional misconduct for
39	an act or omission if the act or omission is done in good faith and in
40	reliance on a decision made by a decision-maker pursuant to a duly
41	executed supported decision-making agreement created in accordance with
42	this article.
43	(c) Any health care provider that provides health care based on the
44	consent of a decision-maker, given with support or assistance provided
45	through a duly executed supported decision-making agreement created in
46	accordance with this article, shall be immune from any action alleging
47	that the decision-maker lacked capacity to provide informed consent,
48	unless the entity, custodian, or organization had actual knowledge or
49	notice that the decision-maker had revoked the supported decision-making
50	agreement, or that the supporter had committed abuse, physical coercion,
51	undue influence, or financial exploitation with respect to the decision
52	to grant consent.
53	(d) Any public or private entity, custodian, or organization that
54	discloses personal information about a decision-maker in reliance on the
55	terms of a duly executed supported decision-making agreement created in
56	accordance with this article, to a supporter authorized by the terms of

the supported decision-making agreement to assist the decision-maker in 1 accessing, collecting, or obtaining that information under subdivision 2 (e) of section 82.05 of this article, shall be immune from any action 3 4 alleging that it improperly or unlawfully disclosed such information to 5 the supporter unless the entity, custodian, or organization had actual 6 knowledge that the decision-maker had revoked such authorization. 7 (e) This section may not be construed to provide immunity from actions 8 alleging that a health care provider, or other third party, has done any 9 of the following: 10 1. caused personal injury as a result of a negligent, reckless, or 11 intentional act; 12 2. acted inconsistently with the expressed wishes of a decision-maker; 3. failed to provide information to either decision-maker or their 13 supporter that would be necessary for informed consent; or 14 15 4. otherwise acted inconsistently with applicable law. (f) The existence or availability of a supported decision-making 16 17 agreement does not relieve a health care provider, or other third party, of any legal obligation to provide services to individuals with disabil-18 ities, including the obligation to provide reasonable accommodations or 19 20 auxiliary aids and services, including, but not limited to, interpreta-21 tion services and communication supports to individuals with disabili-22 ties under the federal Americans with Disabilities Act (42 U.S.C. § <u>12101).</u> 23 § 82.13 Supporter notice. 24 25 (a) If any state or municipal law requires that an agency, entity, or person provide a prescribed notice to a decision-maker, and the agency, 26 27 entity, or person required to provide such notice has received a supported decision-making agreement from a decision-maker that specifies 28 that a supporter is also to receive a copy of any such notice, then the 29 30 agency, entity, or person in possession of the supported decision-making 31 agreement shall also provide the specified supporter with a copy of such 32 notice. 33 (b) Notwithstanding the provisions of this subsection, if any state or municipal law requires that an agency, entity, or person provide a 34 35 prescribed notice to a decision-maker and such notice includes protected 36 information, including private health information or educational records 37 protected by state or federal law, such notice shall not be provided to the specified supporter unless the supported decision-making agreement 38 39 is accompanied by a release authorizing the specified supporter to obtain the protected information. 40 § 82.14 Reporting abuse, coercion, undue influence, or financial exploi-41 42 tation. 43 (a) Any person who receives a copy of or an original supported deci-44 sion-making agreement and has cause to believe the decision-maker is being abused, physically coerced, or financially exploited by a support-45 er, may report the alleged abuse, physical coercion, or financial 46 47 exploitation to adult protective services pursuant to section four hundred seventy-three of the social services law. 48 49 (b) Nothing in this section may be construed as eliminating or limiting a person's duty or requirement to report under any other statute or 50 regulation. 51 § 82.15 Rules and regulations. 52 (a) The commissioner of the office for people with developmental disa-53

54 <u>bilities shall promulgate within one year of the passage of this act the</u> 55 <u>rules and regulations necessary to implement this article for adults who</u>

56 receive or are eligible to receive services that are operated, certi-

1	fied, funded or approved by the office for people with developmental
